WELCOME

The Australian Rainforest Conservation Society welcomes you to Koonjewarre. *Koonjewarre (pronounced koon-gee-warr-ee), a term used by the indigenous Yugambah people and translates to "Meeting place on high ground..." perfectly describing this unique accommodation centre in the high country of Springbrook where the "Clouds Touch the Earth"!*

Our Management & Caretaker team can guarantee exceptional and friendly service. We are committed to providing you a truly memorable "Koonjewarre" experience enriched by the stunning beauty and uniqueness of the Gondwana Rainforests of Australia World Heritage Area.

The Australian Rainforest Conservation Society is a highly successful not-for-profit organization and all 'profits' from Koonjewarre are used for restoration of World-Heritage rainforest on Springbrook.

To learn more about the restoration project, go to www.springbrookrescue.org.au

BELOW IS KOONJEWARRE IN 1975 AND IN 2016 DEMONSTRATING THE RESTORATION OF THIS UNIQUE ENVIRONMENT

THE AUSTRALIAN RAINFOREST CONSERVATION SOCIETY

Founded in 1982, the Australian Rainforest Conservation Society (ARCS) is a national, non-government, not-for-profit organisation with headquarters in Brisbane. Its goals are to protect, repair and restore the rainforests of Australia through research, lobbying, public education and grass-roots support. ARCS has succeeded in achieving protection for large areas of Australia's rainforests and continues to play a leading role in the ongoing work required to conserve this rainforest heritage.

ARCS has members throughout Australia and overseas.

WHAT WE OFFER YOUR GROUP

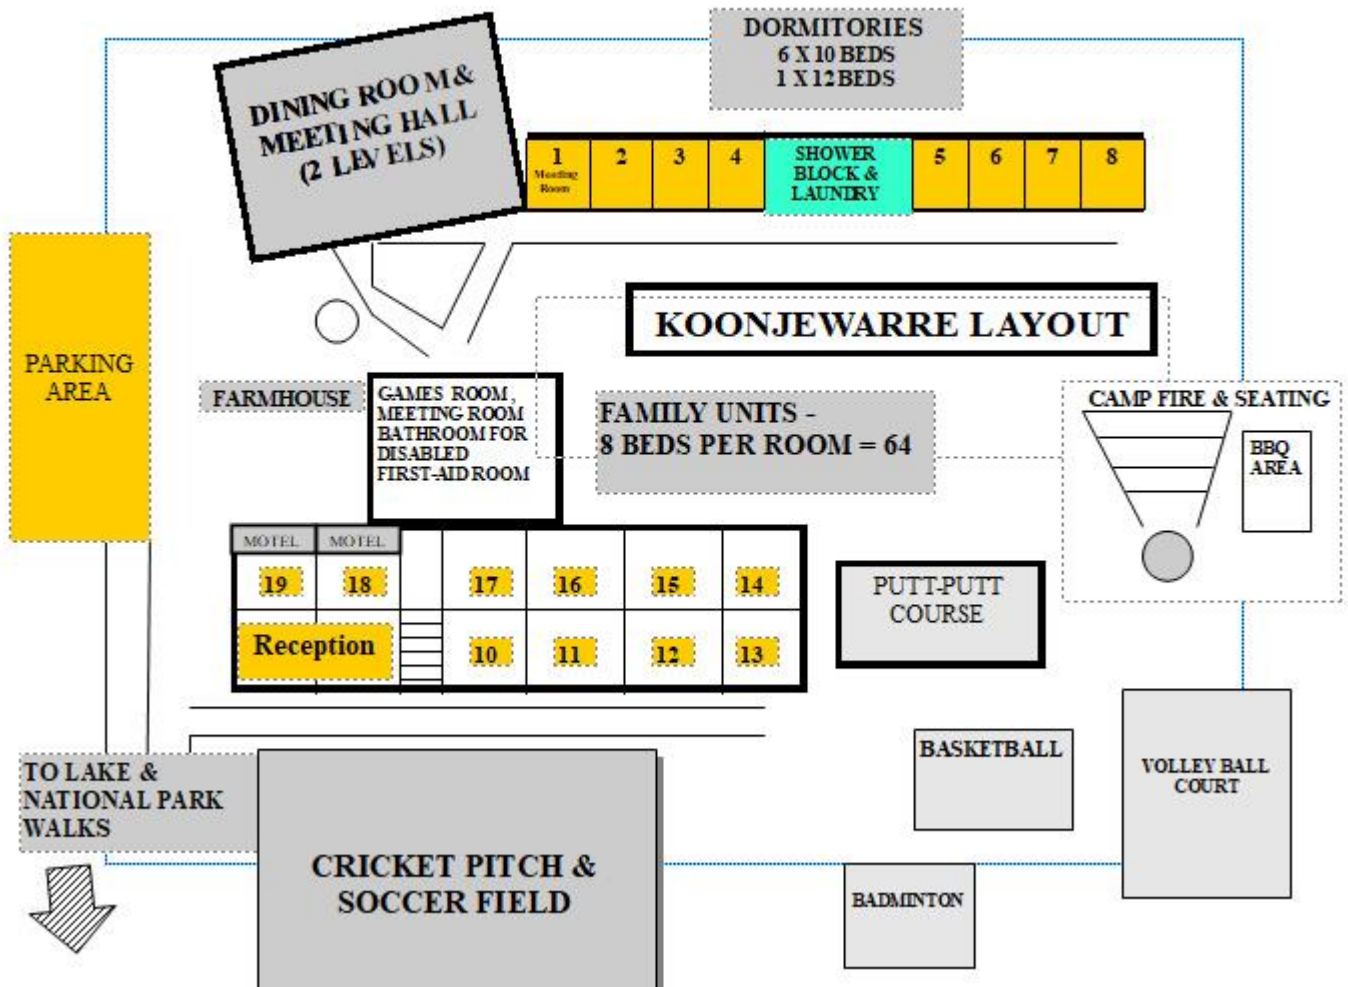

NO SHARING WITH OTHER GROUPS

CATERING AT KOONJEWARRE

Our resident Caterer is David Porter. For more than 40 years David has worked in the hospitality industry in London, New Zealand and Australia.

David's experience extends from location catering in the film industry through to large scale corporate catering, banqueting and conventions. David was also Chef Manager at London's prestigious Dorchester Hotel.

David's catering acumen is married to his passion for excellence in all aspects of food creation and he takes particular pleasure in meeting a challenge. David grew up in Libya, South-East Asia and Australia, and has developed a deep understanding and knowledge of the varied cuisines of the world. As a result of his experience he offers a variety of food choices, guaranteeing the success of your camp, function or event.

At Koonjewarre we have a 'Standard Menu', a 'Weekend Vegetarian or Meat Menu' but any menu can be catered for. Many of our clients require a Vegetarian or Vegan menu, some Halal (all our beef and chicken is certified), Asian, Middle-Eastern and Indian or just something a bit more special. We are open to all suggestions and take pride in meeting our clients' needs. Koonjewarre's kitchen operates to the highest standard of hygiene and safety, with an on-going Food Safety Plan which ensures that you can be assured of not only the best and safest, but most importantly freshly made and delicious food.

SPRINGBROOK NATIONAL PARK

Is adjacent to Koonjewarre, and its entrance is just 300 metres down the road. The park covers 2954 ha and preserves rainforests & eucalypt forests in the cliff-lined headwaters of rivers & creeks that flow to the Gold Coast. Springbrook Plateau is part of a huge extinct volcano centred on Mt Warning. It has World Heritage significance as the best preserved shield volcano for its age in the world. The last eruption occurred more than 22 million years ago, and Springbrook's southern cliffs continue in a great circle into New South Wales marking the rim of that ancient volcanic crater.

The outline of the volcano can be seen in all its spectacular grandeur from **BEST OF ALL LOOKOUT**, which is above Koonjewarre at the end of Repeater Station Road.

There are 26 km of walking tracks in close proximity to Koonjewarre, ranging from the short 1 km Twin Waterfalls track to a 4 km circuit walk, and a 17 km extended circuit.

Throughout Springbrook, waterfalls, rock pool and glow worm caves are set in rainforest which displays tall trees, Antarctic Beech forest, ferns, palms, orchids, vines & mosses. Magnificent cliffs and waterfalls, abundant fauna & bird life, and unparalleled views add splendour to the tranquility of this wild area.

Maps and information are available from the Manager.

WALKING TRACKS ON SPRINGBROOK PLATEAU

TWIN FALLS CIRCUIT (4km return) Allow 1.5- 2 hours.

Commence this walk from Tallanbana picnic area which is located about 400m north of Koonjewarre. Groups walking along the road should be aware that there is no footpath and the road is narrow and windy meaning motorist's visibility of pedestrians can be poor.

Follow the track in an anti-clockwise direction to take advantage of the interpretive signs which guide the walker through different forest types. Pass behind two waterfalls, through rock clefts and enjoy the large natural rock pool among palms and fern trees. At night this walk is alive with glow worms, but make sure everyone has a torch.

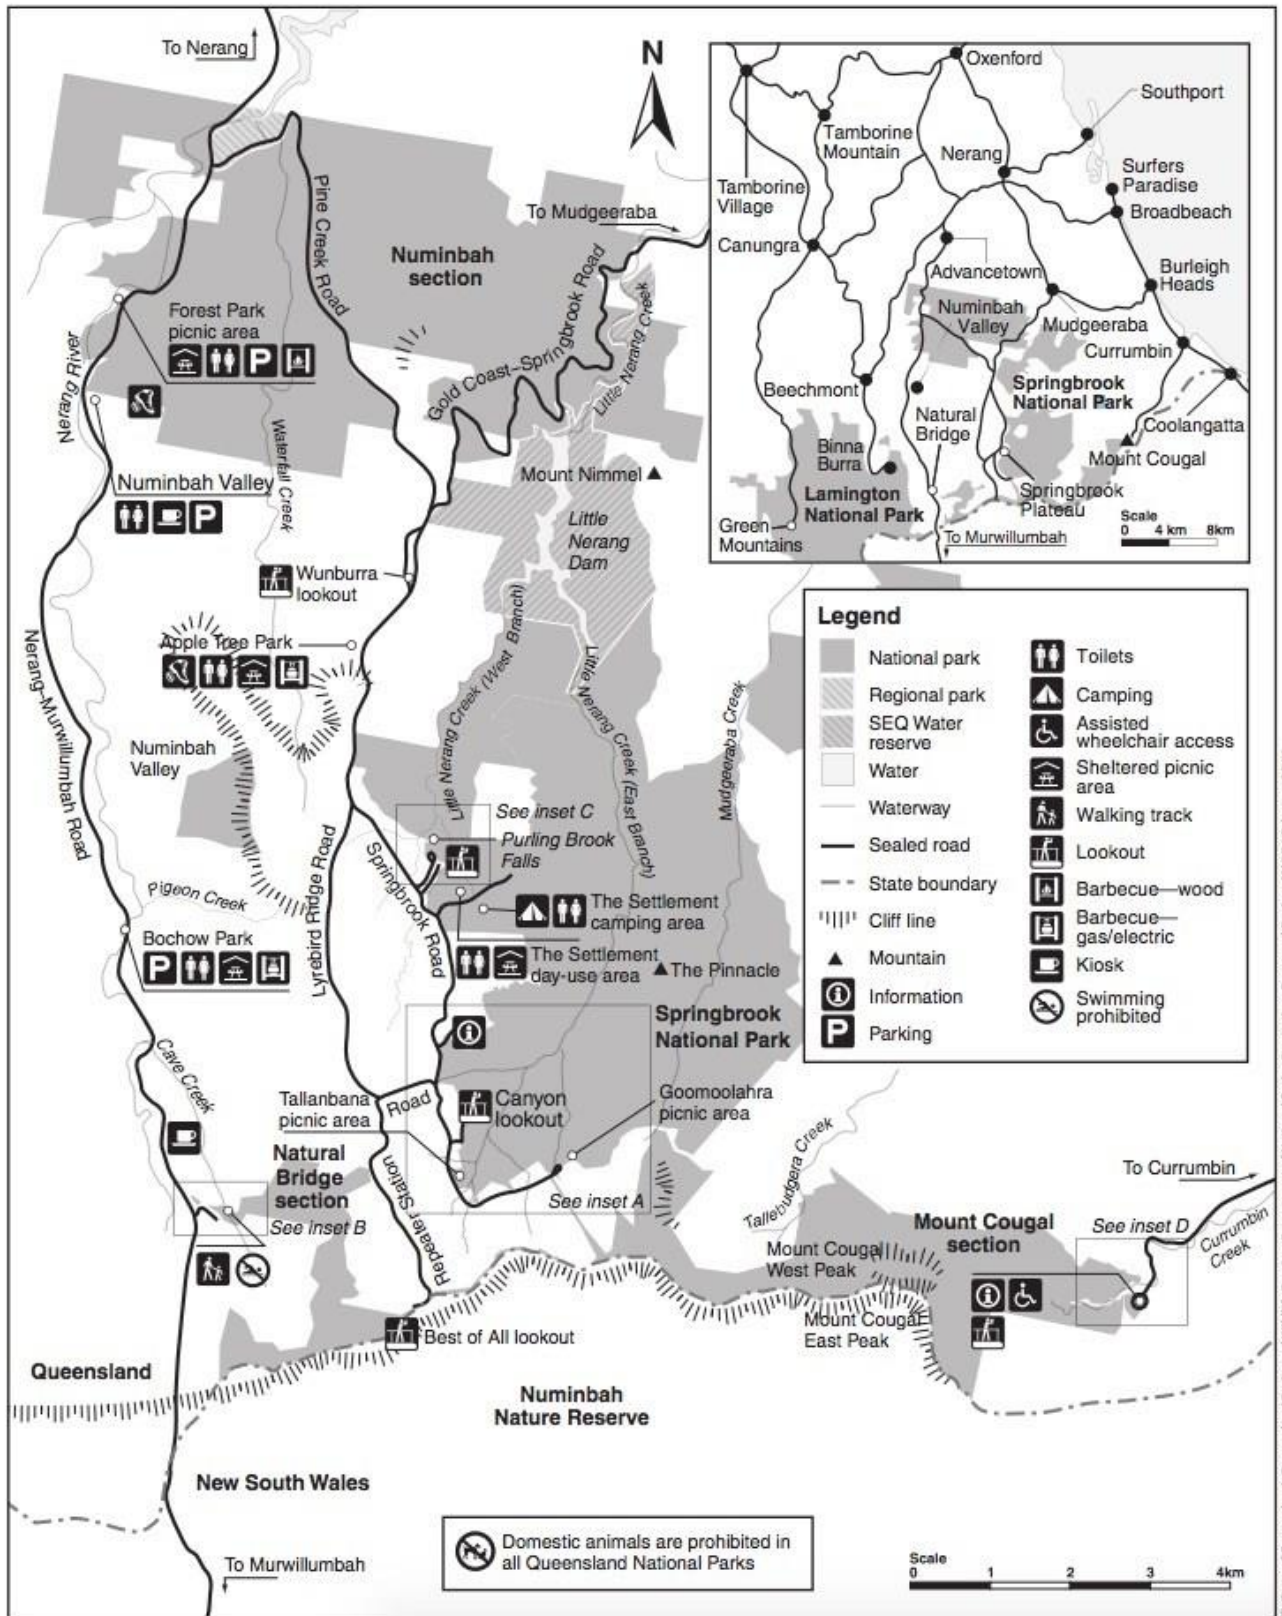

If you choose to walk a group to the Twin Falls walk at night, it is strongly recommended that you position staff members at both the front and rear of your group wearing reflective high visibility vests and each with a bright torch to signal motorists.

WARRIE CIRCUIT (17km return) Allow 5-6 hours.

Commence at Canyon Lookout which is 1 km north of Koonjewarre. The longest and most interesting track on the plateau, it follows the base of the Canyon cliffs to Goomoolahra Falls before descending into the mossy green depths of the rainforest. The track goes to the Meeting of the Waters where all watercourses draining the canyon join, then climbs up the western side of the gorge. Take a backpack with food & drink, first-aid kit, camera and binoculars for a memorable day. Average fitness required.

PURLINGBROOK FALLS CIRCUIT (4km return) Allow 2-3 hours.

Beginning at the park at the end of Forestry Road 6Km north of Koonjewarre. Walkers pass through open eucalypt forest before descending into the gorge to view the falls from below. A steady climb through forest brings the walker back to the picnic area. For the Waringa Pool track, which leads downstream from the base of the falls, add another 2km.

PURLINGBROOK FALLS

TWIN FALLS

INDIGO
TRAVEL

OUR WILDLIFE NEIGHBOURS

GETTING TO KOONJEWARRE

From M1 Pacific Motorway – heading south from Brisbane to Gold Coast

Take Southport Nerang exit (Exit 69)

At traffic lights, turn right onto Price Street. Continue straight ahead on this road through the built up area of Nerang. This road changes its name to the Nerang-Beaudesert Road (Route 90)

Pass the Beaudesert turnoff on right (Mount Nathan Road) – signed to Canungra

You are now on Route 97 – Nerang-Murwillumbah Road.

Take Springbrook turnoff on the left and proceed up the mountain till the T-intersection.

Turn right and continue for 10km. Koonjewarre is on the right hand side.
